PraiseWorks Mission Project 2022 (Everyone is encouraged to participate)

Did you know that 66% of high school students who have grown up in the church leave the church after high school? BCM (Baptist Collegiate Ministries) is a key link to keeping students engaged with the church and with God. We will help BCM directors in our state by collecting items to put into welcome packages that will initiate contact with college students. Items: toothbrushes, toothpaste, single-serving bags of chips, cookies, ramen noodles, Pop-Tarts, two-inch binders, college-ruled notebooks, pens, pencils, gum, and breath mints. Mission project items will be collected on Wednesday night.
