**July 10–14, 2023 | Ouachita Baptist University**  
**For students grades 7–12 completed**

**PraiseWorks** is an incredible opportunity for students to gather to experience worship, to learn about worship, and to gain skills for leading and participating in worship. Our goal is to equip students with hands-on experiences and to give them a place to discover and develop their passion and their God-given abilities. Every student who attends PraiseWorks will:

- Participate in **incredible worship** services daily
- Participate in **two tracks** (see list inside)
- Participate in either a mass **choir** or play in the student **orchestra**

PraiseWorks is for students who have completed 7th–12th grade. If 6th grade students are included in your student ministry, those who have completed 6th grade may participate in either PraiseWorks or JoyWorks.

## Sponsors

Each church must provide sponsors at a ratio of one sponsor for every 10 female students and one sponsor for every 10 male students. A sponsor must have completed at least one year of college. Sponsors are *encouraged* to audit tracks, but please do not sign up for the track due to the limited spots available for students.

While it is the responsibility of each church to provide sponsors, you may contact another PraiseWorks participating church to see if they will agree to sponsor your student. If you need help with suggestions of a church who might include your student, contact the ABSC office.
